Being a lawyer is not easy. But among private practice attorneys, in-house counsel and government lawyers, who's feeling the greatest pressure in finances and stress? Law360's 2018 Lawyer Satisfaction Survey provides a snapshot. *Check back throughout the week for our full report on lawyers' job satisfaction and lifestyle.* [Read full article »](#)

TOP NEWS

Analysis

Republican ESA Reform Proposals Face Uphill Battle

Republicans in Congress and the Trump administration in recent weeks have turned their attention to weakening the Endangered Species Act, but experts say legislation amending the 45-year-old law has a low likelihood of success, and environmentalists are almost certain to challenge new agency rules in court. [Read full article »](#)

Ex-Balch & Bingham Partner, Coal Exec Convicted Of Bribery

A federal jury has convicted a former Balch & Bingham environmental partner and a coal company executive of bribing an Alabama legislator for his help in dodging cleanup liability with the U.S. Environmental Protection Agency, prosecutors announced Friday evening. [Read full article »](#)

Docs Show Kavanaugh Questioned Watergate, Chevron Cases

Supreme Court nominee D.C. Circuit Judge Brett Kavanaugh once questioned the Supreme Court's decision forcing President Richard Nixon to hand over taped conversations about the coverup of the Watergate burglary, according to documents released by the Senate over the weekend. [Read full article »](#)

DC Circ. Finds EPA's Exceptional Events Rule Can Stand

The D.C. Circuit on Friday upheld a U.S. Environmental Protection Agency rule for so-called "exceptional events," like wildfires and volcanic eruptions, rejecting environmental advocates' contention that the rule would let the agency write off human-caused pollution as natural activity. [Read full article »](#)

9th Circ. Rebuffs Latest Bid To Dump Kids' Climate Suit

The Ninth Circuit on Friday rejected another bid to undo a judge's green light for 21 children to sue the U.S. government for allegedly endangering them and future generations with policies that contribute to climate change, the latest setback for the Trump administration in its efforts to nix the suit. Refiner Prevails On Renewable Fuel Exemption In 4th Circ.

The Fourth Circuit on Friday sided with a small West Virginia refinery and threw out the U.S. Environmental Protection Agency's rejection of the company's application for an exemption to the renewable fuel standard program, saying that the decision had wrongly relied on a faulty economic hardship analysis. [Read full article »](#)

Oncologist Says Roundup Caused Groundskeeper's Cancer

The active ingredient in Monsanto's weed killers caused a retired groundskeeper's non-Hodgkin lymphoma, the former medical director of the University of Chicago's cancer center testified Friday during a first-of-its-kind California jury trial on whether the company should have warned consumers about its pesticides' cancer risks. NEPA-Deficient Uranium Mine License Wrongly Kept: DC Circ.

The D.C. Circuit ruled Friday that the U.S. Nuclear Regulatory Commission wrongly allowed Powertech to keep a uranium mining license after failing to comply with the National Environmental Policy Act over objections from the Oglala Sioux Tribe, holding that such a decision "vitiates" the environmental law's requirements. More Quinn Emanuel Attorneys Leave Firm For Dechert

Dechert LLP on Friday said that 18 attorneys from Quinn Emanuel Urquhart & Sullivan LLP have joined the firm's product liability team, following Sheila Birnbaum, a defense attorney nicknamed the "Queen of Toxic Torts," who made the jump in May. [Read full article »](#)

EXPERT ANALYSIS

Suddenly, ALJs Become Political Appointees

Less than three weeks after the U.S. Supreme Court decided *Lucia v. Securities and Exchange Commission*, President Donald Trump signed an executive order applying the court's rationale in *Lucia* to the hiring — and firing — of all administrative law judges in the federal government, making them entirely beholden to the heads of their agencies or the president for their jobs, says Brian Casey of Barnes & Thornburg LLP.
